

REMARKS

The Examiner refused entry of the prior amendment. This amendment and RCE are filed in response to this Advisory Action. The Examiner earlier rejected claim 13 for being indefinite but otherwise allowed Claims 13-16. In the un-entered amendment the Applicants attempted to amend claim 13 to delete matter which the Examiner stated made the claim indefinite. In the Advisory Action the Examiner stated that this broadened the claim. The Applicants disagree with this conclusion, but nonetheless have filed this RCE with the amendment to claim 13 as earlier proposed and also includes new claims 23-26.

In view of this RCE and amendment and the cancellation of all of the non-allowed claims the Applicants believe that the application is now in condition for allowance. Early notification of the same would be much appreciated.

Respectfully submitted,

---
